Infectious Diseases Subspecialties Update • GENERAL INFORMATION

Management of patients with infections is becoming more complex due to advancing age, antimicrobial resistance, medical innovations such as devices and medications. Keeping abreast of the most up to date clinical research in various infectious diseases allows for improved patient care and outcomes.

COURSE HIGHLIGHTS
• ABIM Maintenance of Certification Module
• Interactive case presentations
• World class faculty
• “Ask the Experts” sessions

COURSE DESCRIPTION & LEARNING OBJECTIVES
This brand new course will provide an update in Infectious Diseases with a focus on various subspecialties within ID; future courses will focus on a different array of ID subspecialties. There will be a comprehensive review of infectious diseases that focuses on the clinical application of new developments. The course will offer case based presentations, in-depth discussions, and interactive session all geared to increase knowledge, performance and patient outcomes. Attendees will leave with up-to-date, practical information that can be applied immediately to their clinical practice.

Upon conclusion of this program, participants should be able to:
• Incorporate new management guidelines for common infectious diseases syndromes in clinical practice.
• Explain the principles of HCV diagnosis and management.
• Describe how Clinical Microbiology rapid diagnostics can assist in clinical Infectious Diseases practice.
• Identify and manage opportunistic infections in transplant patients.
• And more….

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
This course was designed with infectious diseases physicians, trainees, physician assistants/nurse practitioners, clinical infectious diseases researchers, and nurses in mind. The content will also benefit hospitalists, internists, family physicians, and pharmacists.

MAINTENANCE OF CERTIFICATION
Two MOC modules are built right into the content of this course. Our goal is to help physicians prepare for the board exam and recertification process. The MOC sessions are chaired by expert faculty who will analyze each module question, review current evidence and key points and summarize clinical pearls. The collective information gathered in these interactive sessions enhances individual knowledge and longer retention of current medical information.

COURSE MATERIALS
Attendees are encouraged to bring portable devices to view the syllabus and other course materials. If attendees are unable to bring a portable device we encourage you to download the syllabus from the website prior to the course.
CREDIT
College of Medicine, Mayo Clinic, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
