GOVERNANCE REMODEL

Before & After

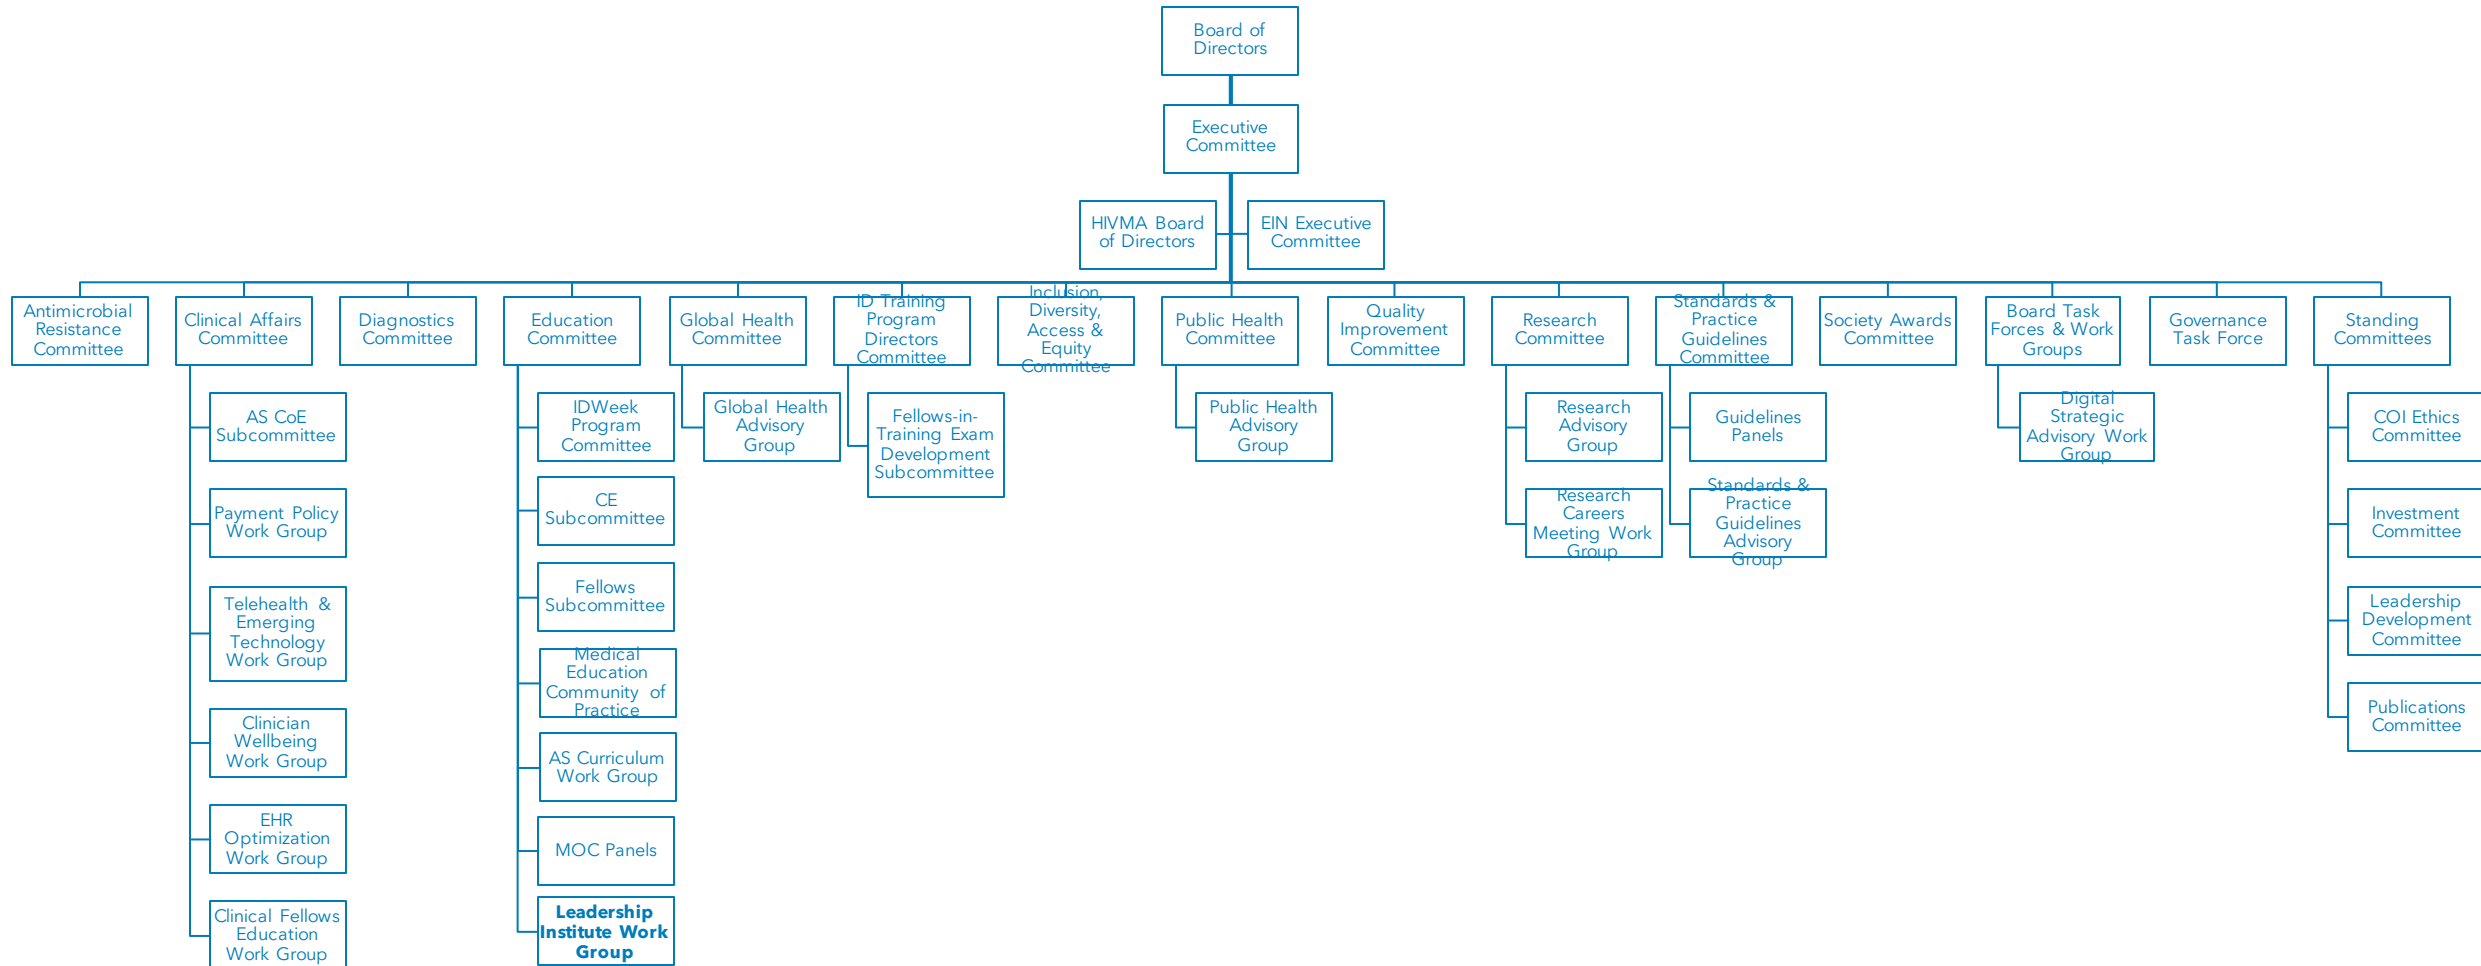

GOVERNANCE REMODEL

Goal: Assess IDSA's volunteer structure & create recommendations to align the structure to the organization's strategic plan & its commitment to IDA&E.

Elements we assessed:

Board effectiveness	Alignment with strategy	Roles & responsibilities	Structure & use of volunteer entities (committees, task forces, etc.)	Volunteer recruitment/ pathway	IDA&E	Volunteer satisfaction & recognition
---------------------	-------------------------	--------------------------	---	--------------------------------	-------	--------------------------------------
