When applying for the Centers of Excellence designation program, it is advisable to utilize the provided supporting documentation examples as a point of reference.

**Hospital Leadership Commitment**
Letter of attestation from the division chief or C-suite executive reflecting leadership commitment and assigned accountability.

**Pharmacy Expertise**
Submit a copy of the appointed pharmacist leader(s) certification (i.e., PGY-1/PGY-2 ID Residency, MAD-ID, SIDP, BCIDP, and/or ID fellowship).

**Action**
Evidence of antibiotic stewardship interventions, describing daily stewardship activities and the strategies utilized (i.e., written attestation, electronic messages, and order sets).

**Tracking**
Evidence of monitoring antibiotic prescribing, the impact of interventions, and other important outcomes (i.e., C. difficile infection and resistance patterns).

**Reporting**
Evidence of routine reporting on process and outcome measures (i.e., targeted performance reporting, unit-specific reports).

**Education**
Examples of well-established and ongoing education efforts (presentations, patient education material).
