2022-2023 Leaders in Epidemiology, Antimicrobial Stewardship, and Public Health (LEAP) Fellowship

Brief Individual Development Plan (IDP)

Please use minimum 11 pt Arial or Times New Roman font with minimum 0.5 margins. Do not exceed two pages.

Name: ____________________________________________________________

Mentor: __________________________________________________________

Career and Professional Goals:

• Describe your main professional goals for the next 12 months.

• Describe the anticipated challenges to achieving these goals.

• Describe your career goals in the next 5 years. Please be as specific as possible. (Examples, not exhaustive: faculty member in an ID division doing basic science research or clinical research; faculty member in an ID division as a clinical educator or education scholar; academic or community hospital epidemiologist or antibiotic steward; city, state or federal public health position; other government position, etc.)

• Describe the steps you will take to achieve the above career goals. (Examples: shadow an identified mentor for X% of the time; take a formal QI course; etc).
